In an interview, Nodoka said..
That for about a year and a half, she'd been playing only online Mahjong alone
Her time alone wasn't in vain.
It molded her into who she is now.
Finally, the last chapter! The Captains' match will conclude!!
I've changed.
I was disappointed with the gap between Nodoka and me at first, but...
I spent two and a half years just crisscrossing mountains.

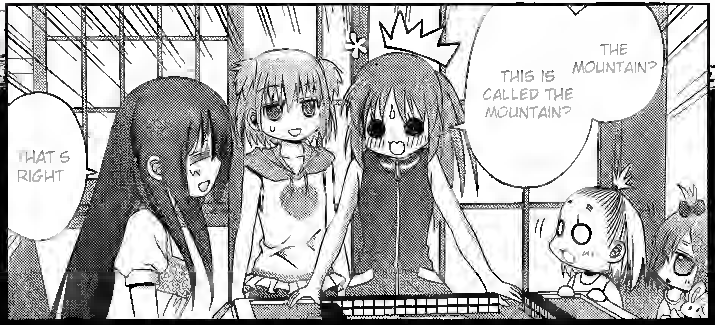
THE STEEP MOUNTAIN PATHS THAT MOUNTAIN MONKS TRAVEL FOR THEIR TRAINING...
TO HER WERE LIKE PLACES TO FROLIC AROUND IN LIKE HER BACKYARD.
THROUGH A MOUNTAIN...
THAT GIRL?
I WONDER WHAT SHIZUNO SENSED AND GRASPED...
ALL ALONE, IN A SECLUDED ENVIRONMENT...

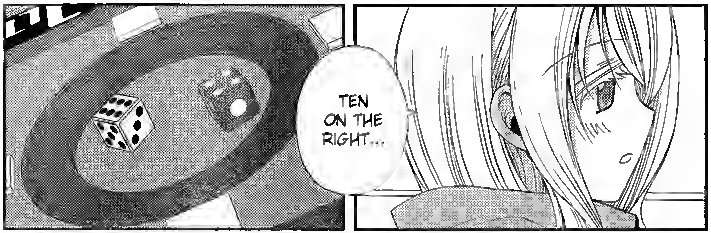
SHIZU HAS LOVED THE MOUNTAINS SINCE CHILDHOOD.
SHE'D JUST RUN OUT, AND THOUGH SHE HAS A BAD SENSE OF DIRECTION, SHE NEVER GOT LOST THERE.
WHEN WE TAUGHT HER MAHJONG, TOO!



THE MOUNTAIN?
THIS IS CALLED THE MOUNTAIN?
THAT'S RIGHT

WHOAAAA
THEN I HAVE SO MANY MOUNTAINS TO RUN THROUGH NOW! EVERY TIME IT'S A NEW MOUNTAIN RIGHT?
YOU'RE TOO EXCITED...

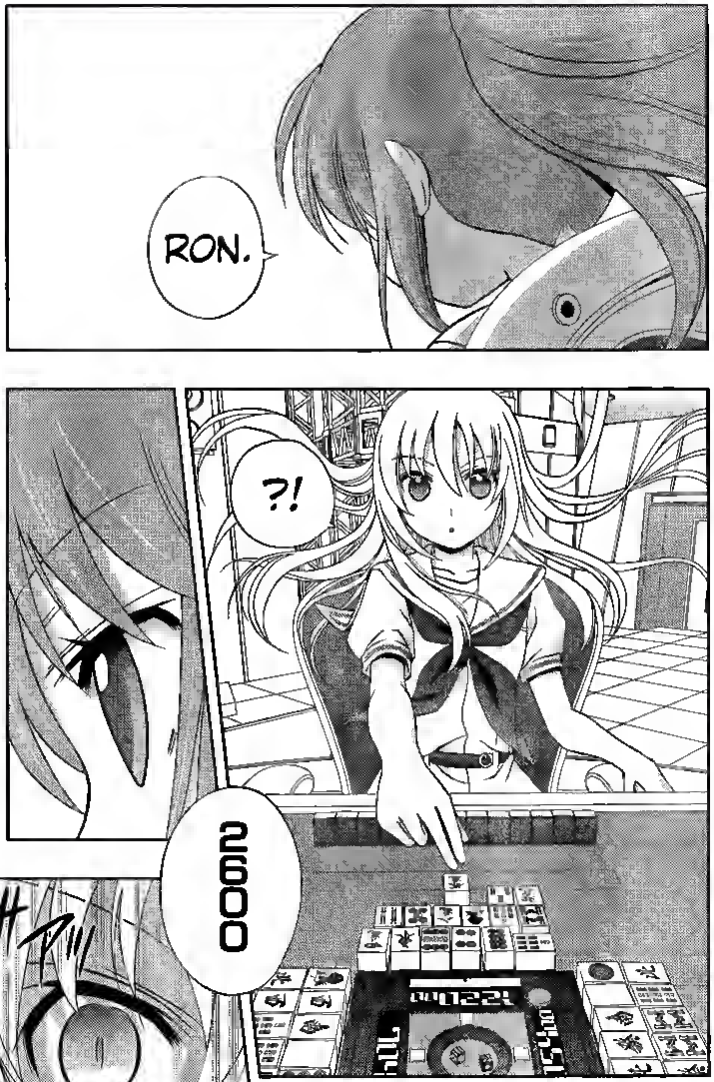
YUU.
YEAH.
AHH!
YOU'RE RIGHT, THAT DID HAPPEN.
WHAT WAS THE DICE ROLL?



TEN ON THE RIGHT...

TEN...
THEN THIS ROUND MIGHT WORK TOO.

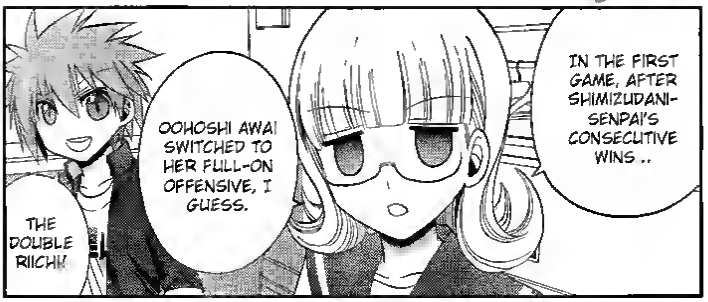
East fourth round



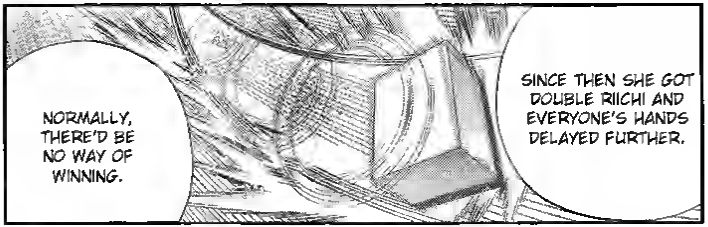
RON.
?!
2600

Achiga!!
A cheap hand, now?!

オオ
COULD THIS BE...
IT'S ON... HIROKO'S LIGHT BULB
U
IT'S JUST A GUESS, BUT...



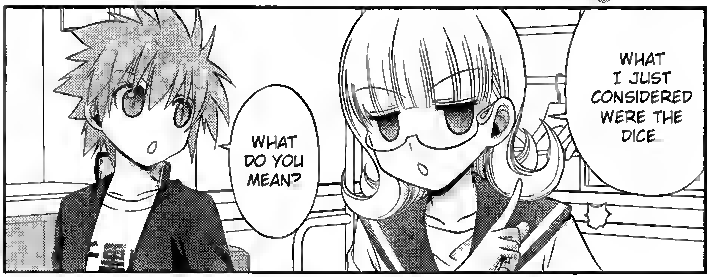
IN THE FIRST GAME, AFTER SHIMIZUDANI-SENPAI'S CONSECUTIVE WINS ..
OOHOSHI AWAI SWITCHED TO HER FULL-ON OFFENSIVE, I GUESS.
THE DOUBLE RIICHI!



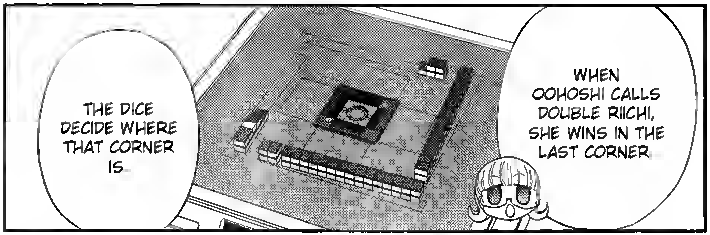
SINCE THEN SHE GOT DOUBLE RIICHI AND EVERYONE'S HANDS DELAYED FURTHER.
NORMALLY, THERE'D BE NO WAY OF WINNING.

HOWEVER, SHINDOUJI'S COMBINATION PLAY COMPLETELY SMASHED THROUGH IT.
OOHOSHI'S HAND DELAY DIDN'T EVEN AFFECT THAT.

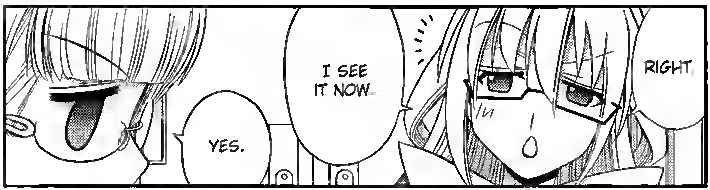
THOSE ROUNDS THAT THAT DUO ARE SET TO WIN, THEY SAY EVEN A PRO CAN'T OVERCOME THEM.
THEN IN THE SOUTH THIRD ROUND, SHINDOUJI WILL DEFINITELY GET A COUNTED YAKUMAN.
YIKES, THAT'S BAD!
ANYWAY, AMONG OOHOSHI'S DOUBLE RIICHI WHEN SHIN-DOUJI WAS NOT SET TO WIN...
WE'VE SEEN HER FAIL THRICE
AMONG THEM WAS SHIMIZUDANI-SENPAI'S BAIMAN EARLIER.
SHE TOTALLY HIT THE FLOW AND WON
SOMETHING MUST HAVE BEEN UP WITH HER.
NOW THE PROBLEM LIES WITH THE OTHER TWO ROUNDS.
INDEED.
THE TWO ROUNDS WHERE THAT FIRST YEAR FROM ACHIGA WON.
PRECISELY!



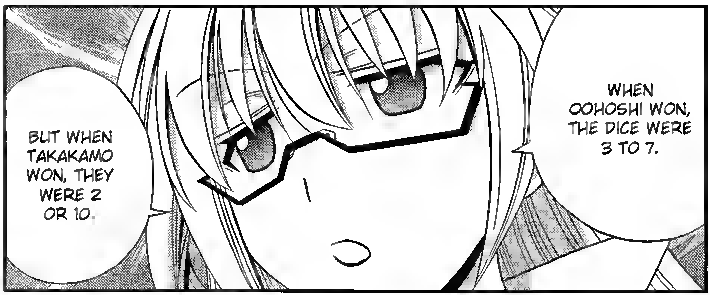
WHAT I JUST CONSIDERED WERE THE DICE.
WHAT DO YOU MEAN?



WHEN OOHOSHI CALLS DOUBLE RIICHI, SHE WINS IN THE LAST CORNER.
THE DICE DECIDE WHERE THAT CORNER IS.

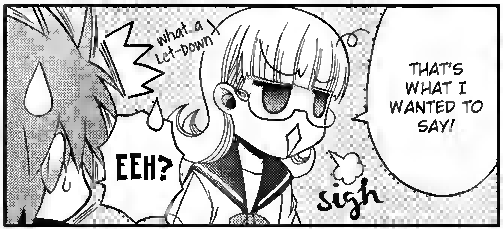


RIGHT.
I SEE IT NOW.
YES.

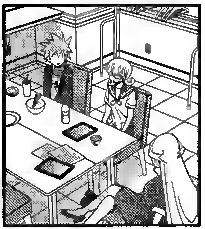


WHEN OOHOSHI WON, THE DICE WERE 3 TO 7.
BUT WHEN TAKAKAMO WON, THEY WERE 2 OR 10.

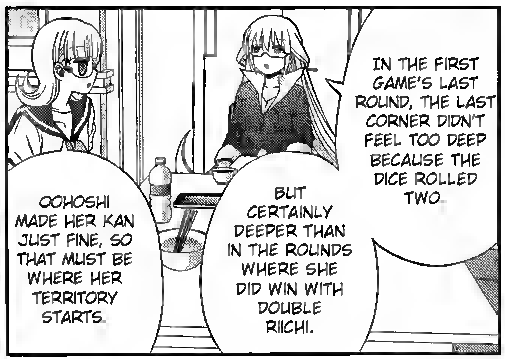
THAT'S WHEN THE CORNER...
IS DEEP INTO THE MOUNTAIN!!



what a Let-down
EEH?
THAT'S WHAT I WANTED TO SAY!
sigh

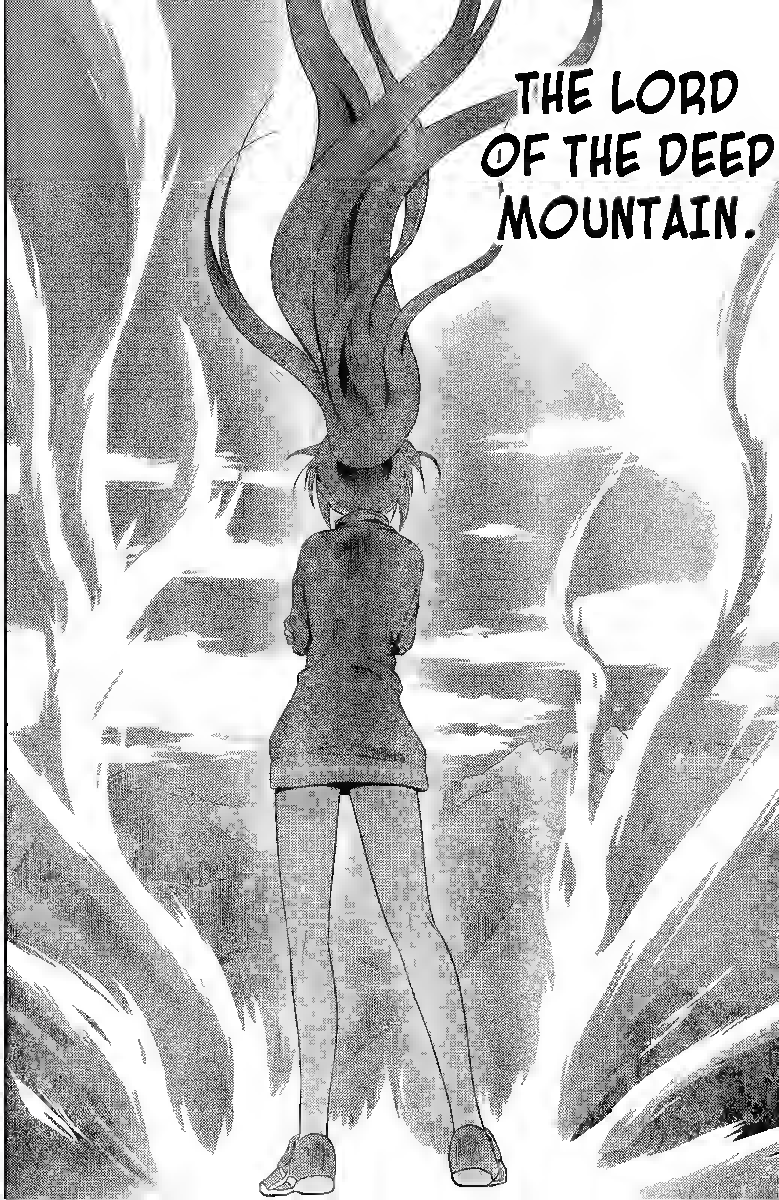


TERRI-TORY? WHOSE?

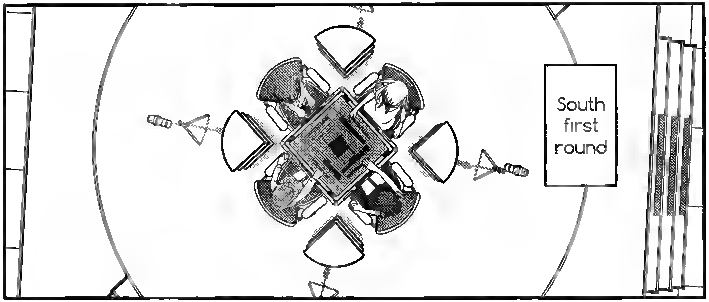


IN THE FIRST GAME'S LAST ROUND, THE LAST CORNER DIDN'T FEEL TOO DEEP BECAUSE THE DICE ROLLED TWO.
BUT CERTAINLY DEEPER THAN IN THE ROUNDS WHERE SHE DID WIN WITH DOUBLE RIICHI.
OOHOSHI MADE HER KAN JUST FINE, SO THAT MUST BE WHERE HER TERRITORY STARTS.

THAT'D BE...



THE LORD
OF THE DEEP
MOUNTAIN.



South first round

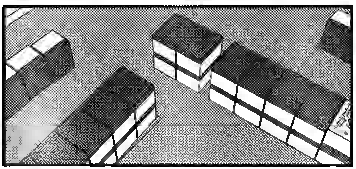
That reminds me, since around the first game's South rounds...

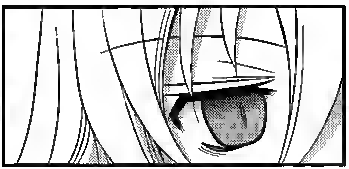
The more a round progresses and the deeper into the mountain I had to go...
...the more my vision was obstructed by some sort of mist.

And I felt a presence.
Ah! Geez!
I'll be damned if I let the unknown beat me!!

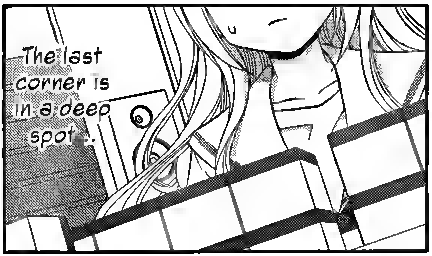
RII-
CHI!

ANOTHER
DOUBLE
RIICHI!!





NOW
LET'S
SEE..
APPARENTLY,
THE KEY OF
THIS ROUND
WILL AGAIN
BE THE DEEP
PART OF THE
MOUNTAIN



The last
corner is
in a deep
spot..

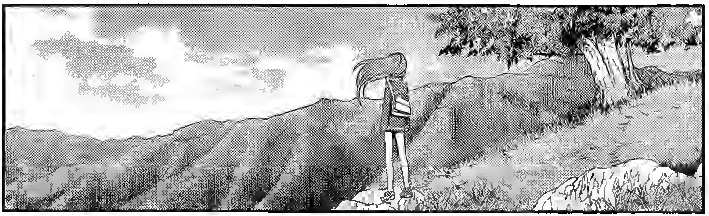
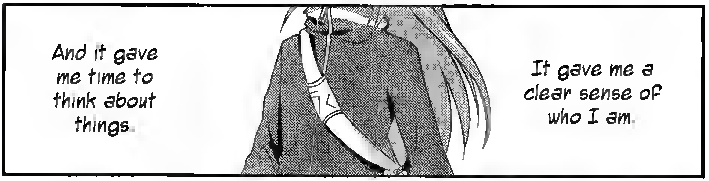
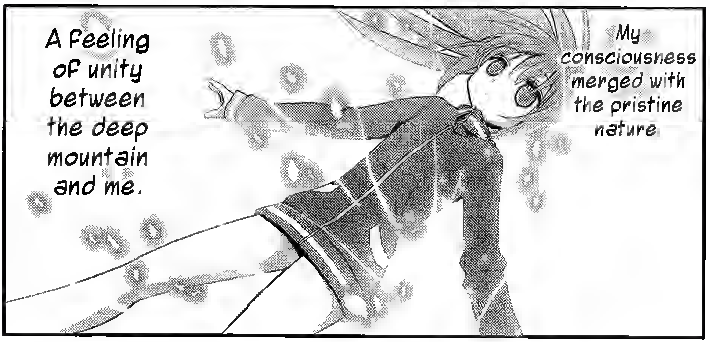
Those days...
I was often alone in the middle of the mountains.
A7



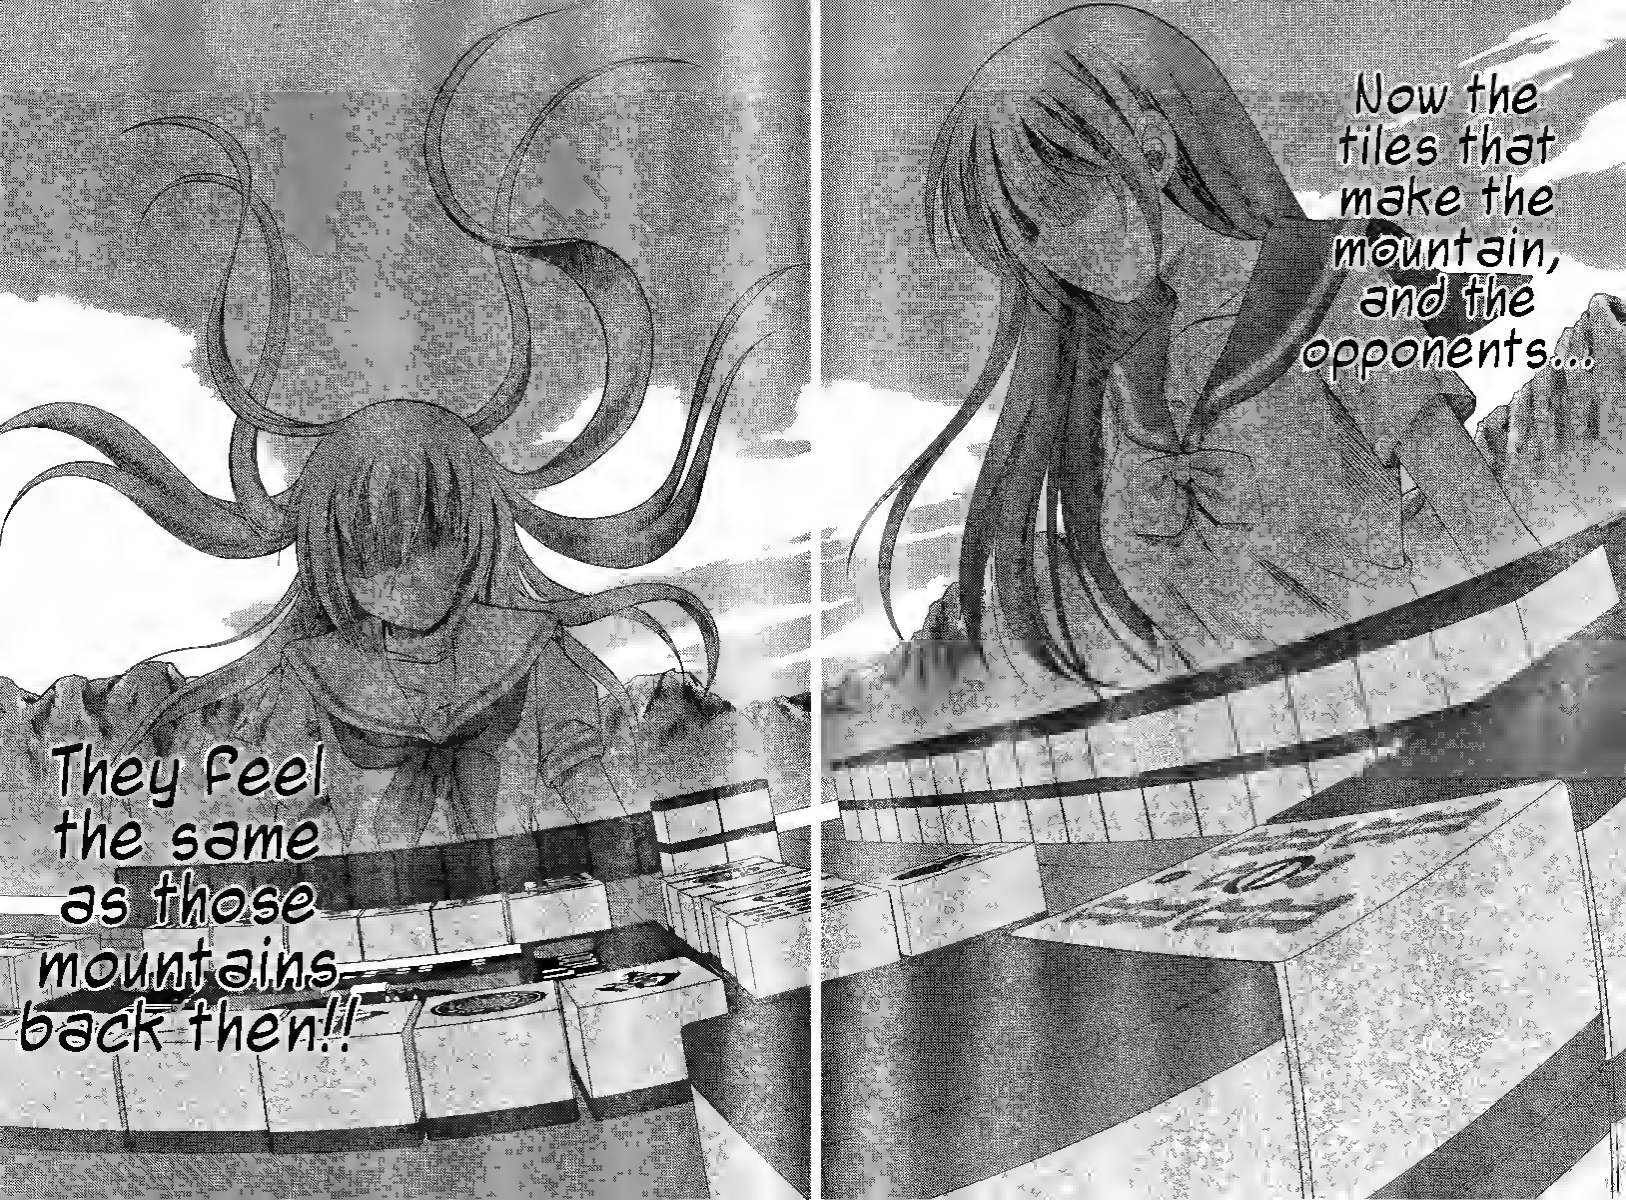


And it gave me time to think about things.
It gave me a clear sense of who I am.

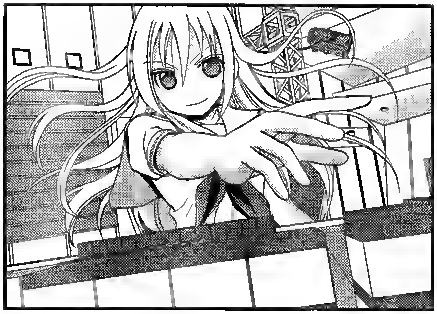


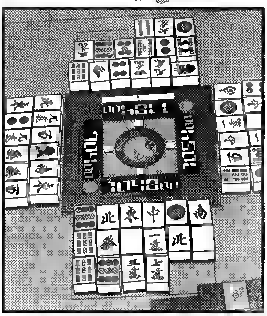
A feeling of unity between the deep mountain and me.
My consciousness merged with the pristine nature.

I enjoyed such wondrous moods.

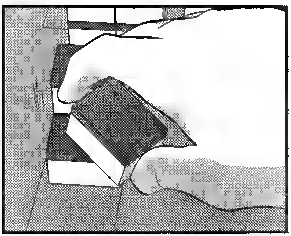


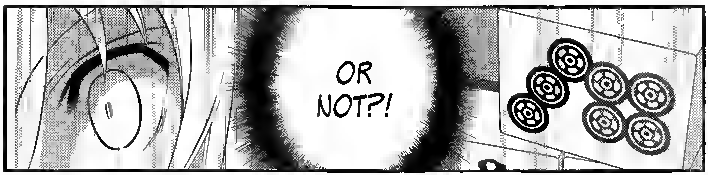
They feel the same as those mountains back then!!
Now the tiles that make the mountain, and the opponents...



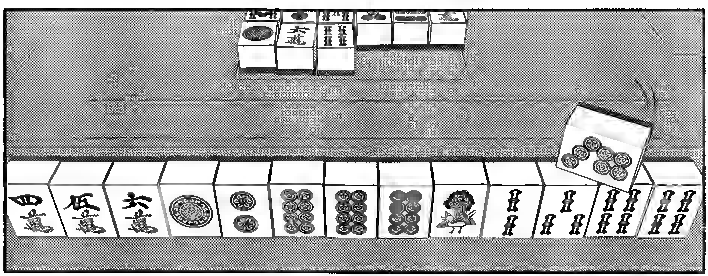


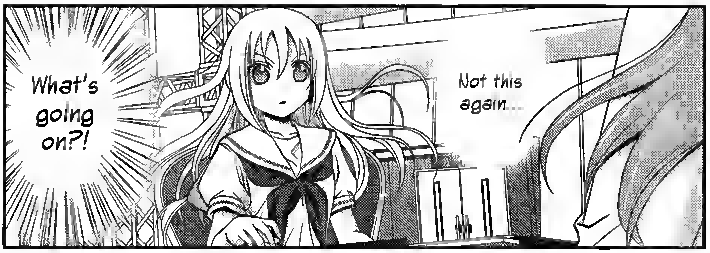
This will be a kan.





OR NOT?!



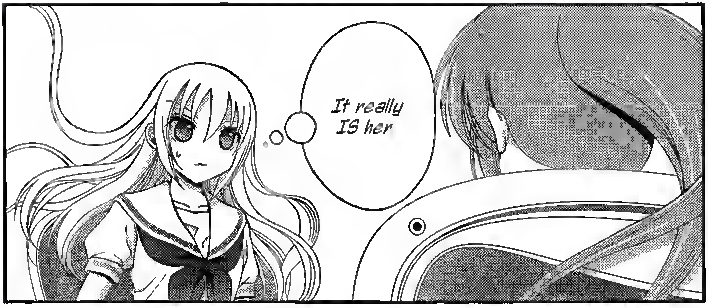


What's going on?!
Not this again...

I SEE..
ドア!

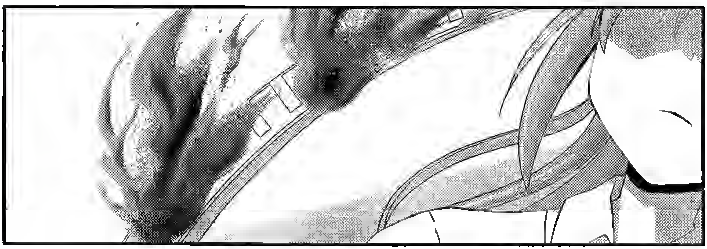
Depending on the dice, Onee-chan's team's Captain-san too

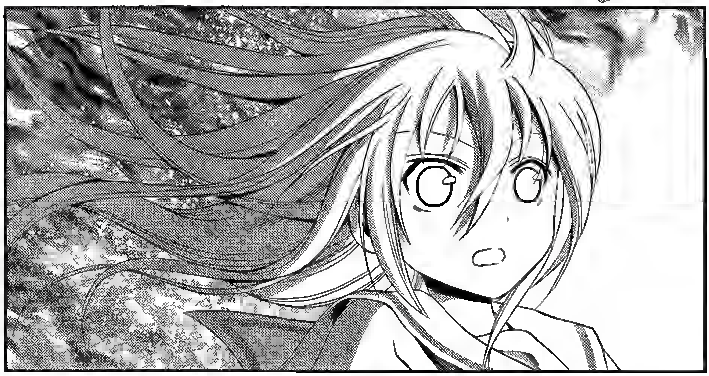
BOTH KOROMO-CHAN'S HAITEI AND MY RINSHAN TILES ARE DEEP INTO THE MOUNTAIN
IT'S NOT "CHAN."

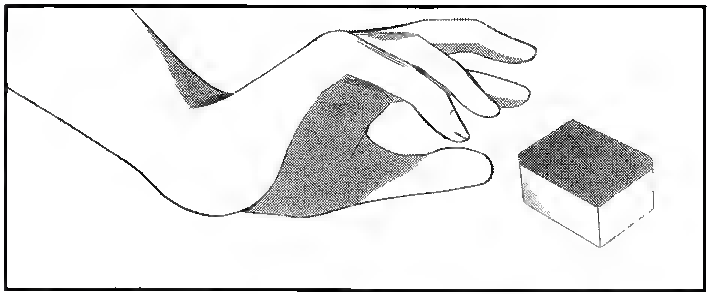


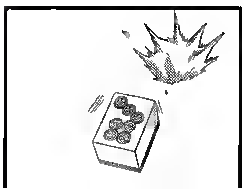
It really IS her

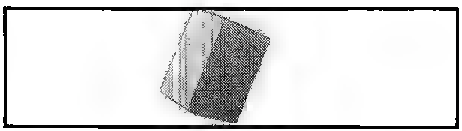
Achiga All Girls'...











RON!

AND AGAIN, ACHIGA ALL GIRLS!!

YOU MAY HAVE BEEN RIGHT, HIROKO.
IT REALLY SEEMS SO.

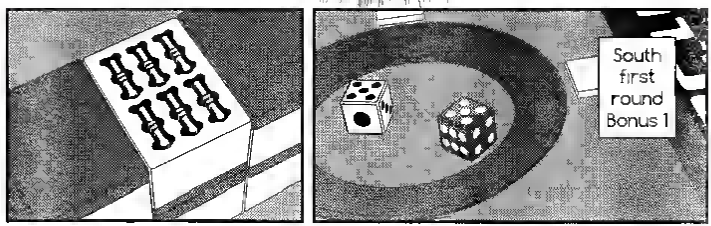
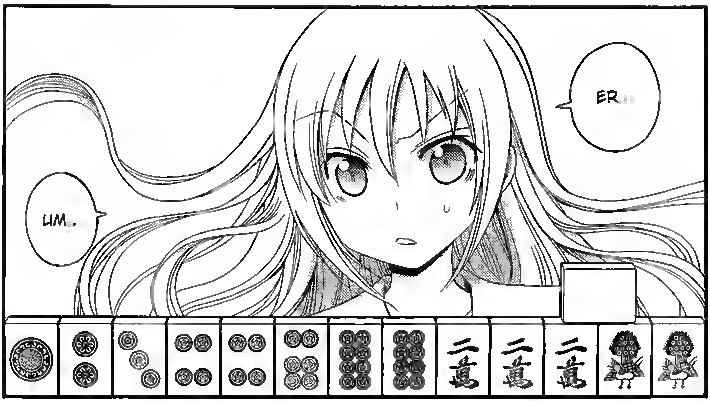
Achiga...

After that, the tiles in the deep mountain are useless!
But the beginning of the mountain is still mine

IT'S NOT LIKE SHE CONTROLS THE ENTIRE MOUNTAIN!

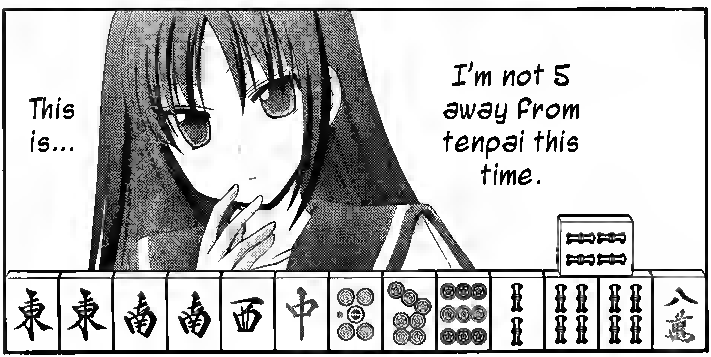


South first round Bonus 1

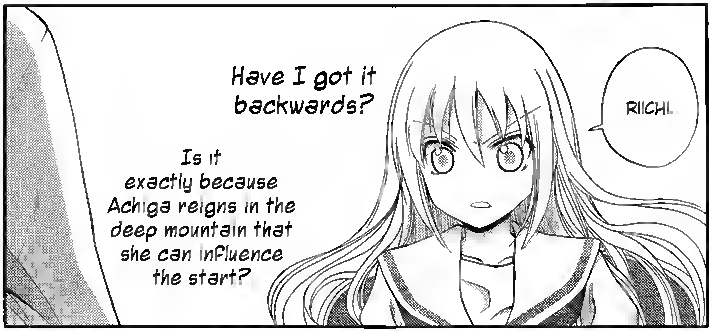


ER...
UM...

No double riichi?

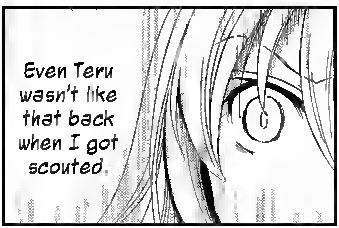


This is...
I'm not 5 away from tenpai this time.



RIICHI.
Have I got it backwards?
Is it exactly because Achiga reigns in the deep mountain that she can influence the start?

What is up with her?!



Even Teru wasn't like that back when I got scouted.

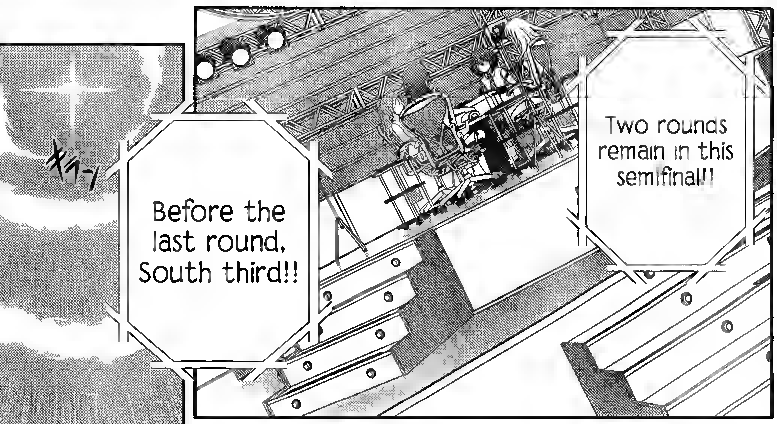
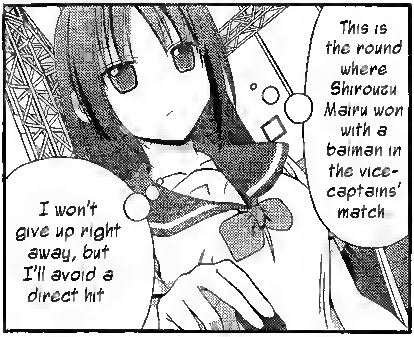
IT MOSTLY TURNS OUT BAD, BUT...

SOMETIMES SHE ACTUALLY SEES THROUGH IT, RIGHT?
YES.



Two rounds remain in this semifinal!!
Before the last round, South third!!
ｷﾀｰ!



This is the round where Shirouzu Mairu won with a baiman in the vice-captains' match
I won't give up right away, but I'll avoid a direct hit

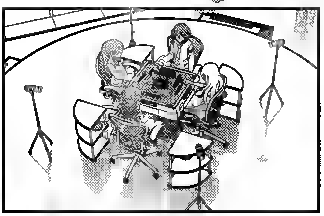
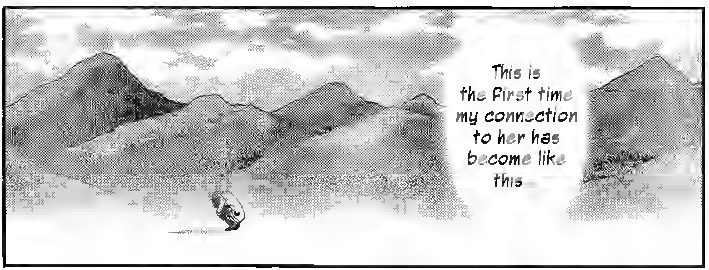
WHAT'S GOING ON?

What's this...
Huh ?

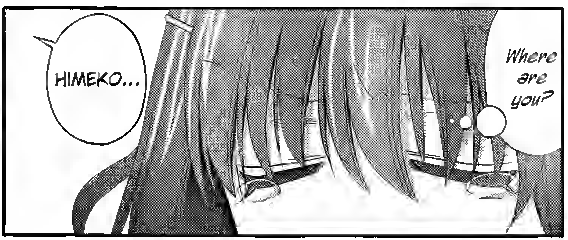


Yet the deeper I go into the mountain, the less I can feel Prez

Our combination play shouldn't permit anything this bad though...
As my hand progresses, of course it becomes harder to get the right tiles to complete my hand...



This is the first time my connection to her has become like this...



HIMEKO...
Where are you?

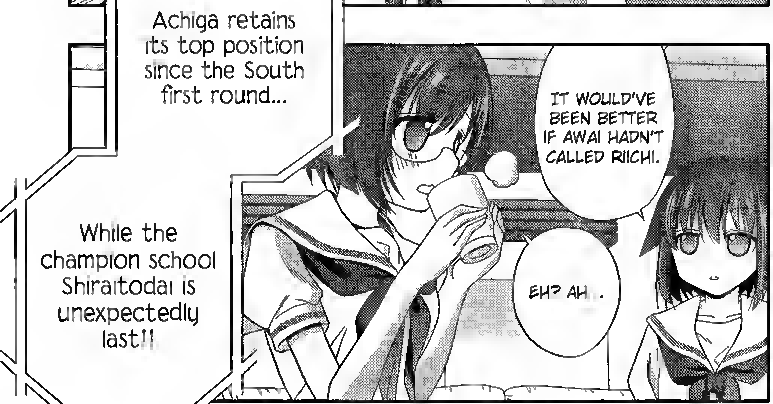
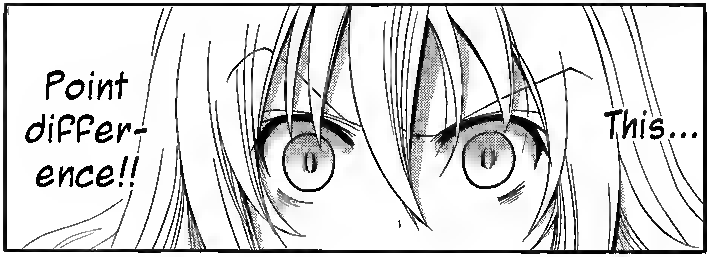
Finally, the very last round.

This round will decide which two schools will advance to the final!!
WHEN ACHIGA PASSED UP THAT WIN IN THE SOUTH SECOND ROUND, WAS IT..
?



Achiga retains its top position since the South first round...
While the champion school Shiraitodai is unexpectedly last!!
IT WOULD'VE BEEN BETTER IF AWAI HADN'T CALLED RIICHI.
EH? AH..

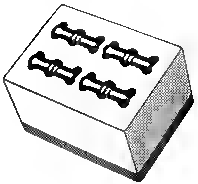


Since Achiga was dealer before me, she'd get placed higher even if we have the same points!

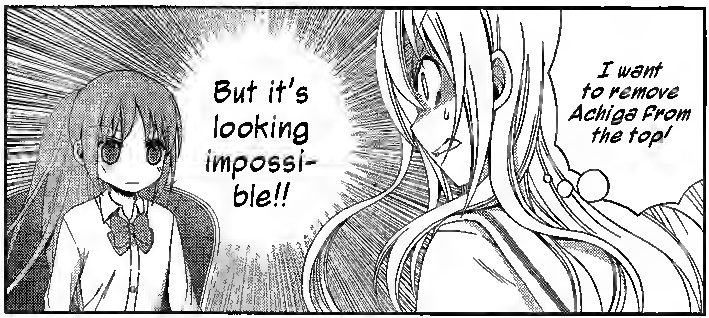
SENRIYAMA	102100
ACHIGA	99500
SHIRAITODAI	99500
SHINDOUJI	98900

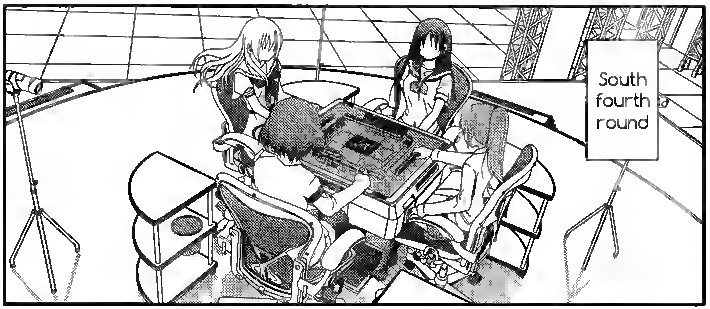
Even if I hit Achiga with a haneman, it would be...

. the 12,000 points of a haneman direct hit would have been enough for me to get second place.

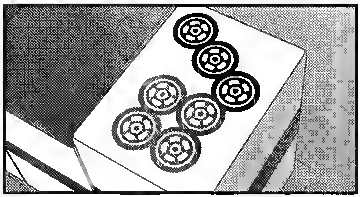


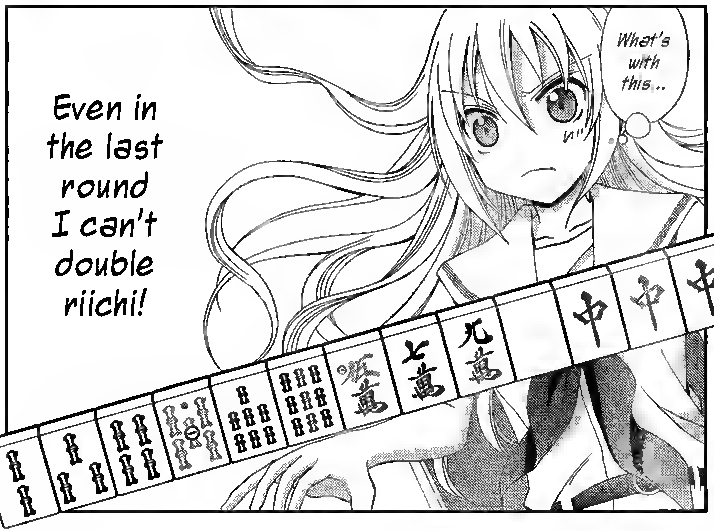
If she hadn't overlooked that 1,300 point win in the South second round ..



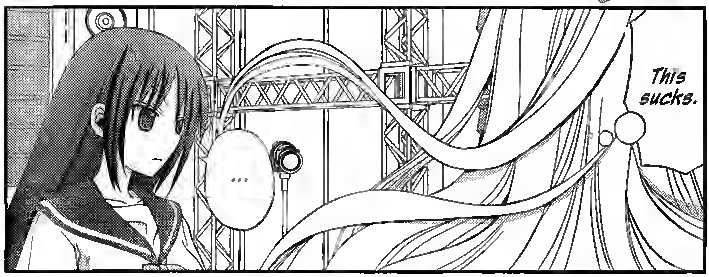


South
fourth
round





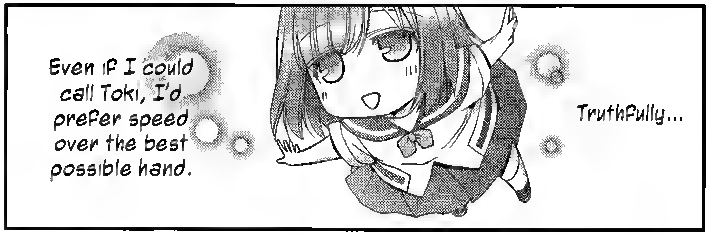
Even in the last round I can't double riichi!
What's with this...
W''



This sucks.
...

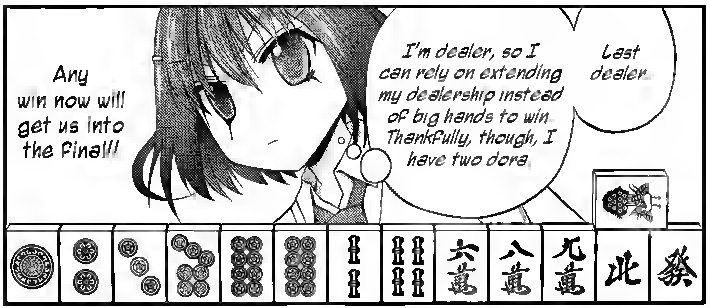
Was Achiga's trash hand after overlooking the win two rounds ago
...just a safety measure against Ochoshi Awai's direct hit haneman?

So she's only being mindful of Ochoshi?
That's not it
She must think that it's unlikely for Shindouji or I to go for a big hand



Even if I could call Toki, I'd prefer speed over the best possible hand.
TruthFully...

A careful offensive with an open hand!!
A cheap hand is enough to make it to the finals and defeat Shiraitodai



Any win now will get us into the Final!!
I'm dealer, so I can rely on extending my dealership instead of big hands to win. Thankfully, though, I have two dora.

Well I'm third place and dealer, there's no way I'm breaking up my tenpai!
It's my tile~!
How-
ever...
That's my tile.
With ippatsu and four ura dora, it's only sanbaiman.
Giving me the same amount of points as Achiga!!

Her dealership was before mine, so Achiga will be first and I will be second place.
